<b>Diesel</b>	320	160	107	80	64	54	46	40	36	32	30	27

NB: The table above illustrates the amount owed for the plan per month which is dependent on when the plan commences. For example, if your MOT and Service is due in one month you would pay one installment of £300 for a petrol vehicle, if the plan commenced 10 months before they were due, the monthly fee would be £30 per month for a petrol vehicle.

## What your plan includes

**Full Service and MOT;** Air, oil and fuel filter, spark plugs (for petrol vehicles), top up levels (anti-freeze, screen wash and power steering fluid), light bulb check, full suspension check, front and rear brakes check, MOT full visual inspection.

**BS Car Services Loyalty Card:** Additional benefits include 10% off any additional work needed not included in service work (this does not apply to any breakdown call out fees), 10% off recovery, 10% off carbon cleaning, 10% off air conditioning re-gassing.

## Benefits to the Privilege Plan

**Full Service everytime;** unlike other plans provided by other dealers who alternate between a small service and a full service we will carry out a full service each and every time.

**Peace of mind;** your vehicle will never be without a valid MOT; we will contact you a month in advance to book you in.

**Spread the cost;** spread payments over the year to keep your outgoings lower; avoids a large lump sum once a year.

**Minimum tie in;** only required to sign into the plan for 12 months; other dealership plans require a minimum sign in of three years plus.

**A full history;** your vehicle will be added to our database which ensures that you have a full history of maintenance which can be provided to you should you sell your vehicle.
